WELCOME

Hi Girls, *We're Going to the Desert*

We're taking [Bride-to-Be] to Joshua Tree for one last weekend before the wedding. One private house, a pool, a fire pit and a sky full of stars.

Everything is in here: the plan, the house, who sleeps where, what to pack and what it costs. Save the dates, book your travel, and send me any questions.

See you in the desert,
